The internal selection mechanism utilized by the high school should reflect the selection criteria, listed above, that will be used by the Legacy Foundation Selection Committee. This scholarship is available in the Guidance Office, through the Legacy Foundation, or online at www.legacyfoundationlakeco.org/scholarships. (Note for students attending a charter school – all applications will be forwarded to Legacy Foundation for review. One applicant will be recommended for the interview process.)

It is highly recommended that you complete an online form. If not, please type or print neatly in black or blue ink on all documents.

FAQ'S

What is the policy on a student who must withdraw from college for a short period of time: Are they still eligible to receive the scholarship when they return to school? The decision about whether a recipient is eligible to continue receiving the scholarship will be handled on a case by case basis.

Will the Lilly Endowment Community Scholarship pay for summer school courses for the recipients? The scholarship pays for 8 semesters/12 trimesters, etc. Summer school must then be considered as a full semester and the course work should be designed to accelerate the student's work toward completion of a degree in less than four years.

Are students able to participate in Semester Abroad programs during their course of studies? Yes, with the assumption that the student is still considered a full time student receiving credit from the original college or university. The scholarship program will cover the regular tuition costs. Students must contact Legacy Foundation for approval, prior to enrolling in or paying a deposit for an overseas program.

What are the student's responsibilities once they have received the scholarship? First the student must notify Legacy Foundation by May 5th as to the college or university they will attend. Recipients must forward a copy of their tuition bill prior to each term and keep the Legacy Foundation apprised of their academic status during college by sending an official transcript at the end of each academic term. In addition, recipients must account for and return to Independent Colleges of Indiana any amount of the special allocation for required books and equipment remaining at the end of each school year. Upon graduation, recipients must keep the Legacy Foundation apprised for 10 years by completing a survey.

APPLICATION DEADLINE

Please check with the Guidance Office for your school's deadline date.

GENERAL INFORMATION

The Lilly Endowment Community Scholarship Program was designed to help raise the level of educational attainment in Indiana and to leverage further the ability of Indiana's community foundations to enhance the quality of life of the state's residents.

To help further this goal, Lilly Endowment is providing funding to Independent College of Indiana ("ICI") to enable eligible community foundations in Indiana to participate with ICI in another round of the scholarship program. In 2010, the Legacy Foundation will be eligible to nominate recipients and alternates for up to eight full tuition scholarships for Lake County, Indiana high school graduates. This scholarship must be used to pursue a baccalaureate degree at any accredited public or private Indiana college or university.

Lilly Endowment Community Scholars will receive scholarships for full tuition, required fees, and a special allocation of up to \$800 per year for required books and required equipment for four years of undergraduate study on a full-time basis, leading to a baccalaureate degree at any Indiana public or private college or university accredited by the North Central Association of Colleges and Schools. **This scholarship does NOT cover room and board expenses.**

The Legacy Foundation has adopted a policy regarding applicants who may have a familial relationship with a member of the Board of Directors of the Legacy Foundation or the Nominating Committee for the Lilly Endowment Community Scholarship Program. Whenever the Legacy Foundation's pool of potential scholarship nominees includes a family member (including spouse, brothers and sisters by whole or half blood, ancestors, children, grandchildren, and great-grandchildren) of any of the Foundation's directors, officers, staff members and nominating committee members, each such director, officer, staff member and nominating committee members shall recuse himself or herself from the entire scholarship nomination process for that pool, including all meetings, discussions, debates, and votes regarding nominations. The Legacy Foundation shall keep detailed minutes and a Family Relationship Disclosure and Recusal Form documenting all recusals, including those for scholarship applicants who were not nominated.
