

**I.B.E.W. Local Union #697**  
**Dependent Children Scholarship**  
**Administered by Legacy Foundation**

All IBEW members that have unmarried dependent children living at home, age 25 or under, are eligible to submit their children's names into the scholarship pool for a college scholarship grant. The amount and number of grants will be determined each year by the Executive Board of the I.B.E.W. (Scholarship Committee) at the first Executive Board Meeting in January of each year. Historically it has been \$1,000.

Eligibility will be determined by either the Lake County Indiana N.E.C.A. – I.B.E.W. Health and Welfare Plan or a copy of a current tax return indicating the child is a dependent. Step children are eligible providing they meet either of the above requirements.

To be eligible for a full time scholarship grant the student must have at least 12 registered hours in the school of his or her choice. Your tuition bill is used for verification of enrollment and credit hours.

The Scholarship is advertised in the June newsletter and applications are available at the Union office. The scholarship recipients will be chosen by a drawing at the July Union Meeting held on the third Monday.

Phone # for Local Union #697 is 844-6386
