

The Patrick Lindsey Memorial Scholarship

A \$500 college scholarship awarded to a minority student interested in pursuing an education in Visual and Performing Arts.

The Patrick Lindsey Memorial Scholarship is named for an extremely talented and generous artist. This scholarship was created not only to honor Patrick, but to aid graduating minority high school seniors in Lake County, Indiana interested in the Fine Arts. Patrick was born in 1971 and began his music career at age 8. With only one year of formal training, he was a 'natural' on the piano and organ. His love of music and the arts was apparent as he performed for and with various churches, choirs, and organizations throughout Northwest Indiana. In 1990, Patrick founded the East Hammond Community Choir.

The Lindsey family developed the Patrick Lindsey Memorial Scholarship as a way of showing their love and support for Patrick. Through helping others interested in furthering their education in music, dance, drama or art...his legacy lives on.
